### DIVISIONS

#### Competition Division

The Competition Division is the most demanding division for both the dog and handler. The division Jump heights are 8", 12", 16", 20" and 24" and double jumps may be used at the Intern level and double and triple jumps may be used at the Specialist level. This division is also the most demanding in terms of standard course times in each event.

**Entry Eligibility - Any physically capable dog over the age of 15 months may enter the Competition Division.**

#### Select Division

The Select Division is somewhat less demanding than the Competition Division. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Select Division. NO double jumps. Standard course time for the Select Division will be 15% more than the Competition Division standard course times in each event.

**Entry Eligibility - Any physically capable dog over the age of 12 months may enter the Select Division.**

#### Veteran Division

The Veteran Division is for those dogs that have reached 7 years of age, but are still physically capable of doing competitive agility or dogs being handled by anyone 60 years of age or older. Jump heights are 4", 8", 12", 16" and 20" in the Veteran Division. No double or triple jumps may be used. Standard course time for the Veteran Division will be 20% more than the Competition Division standard course times in each event. Please see rules at [www.docna.com](http://www.docna.com) for special circumstances for jump heights called Veteran Dog Opportunity.

**Entry Eligibility - Any physically capable dog 7 years old or older or any physically capable dog that is handled by a competitor that is 60 years old or older may enter the Veteran Division.**

#### Grand Veteran Division

The Grand Veteran Division is for those dogs that have reached 10 years of age, but are still physically capable of doing competitive agility or any handler 60 years old or older handling a physically capable dog 7 years old or older. Jump heights are reduced to 4", 8", 12", and 16" in the Grand Veteran Division. Competitors/handlers entering the Grand Veteran Division must choose to jump their dog at least 4 inches lower than their Select/Veteran jump height. Standard course time for the Grand Veteran Division will be 25% more than the Competition Division standard course times in each event.

**Entry Eligibility - Any physically capable dog 10 year old or older or any handler 60 years old or older handling a physically capable dog 7 years old or older may enter the Grand Veteran Division.**

#### Junior Handler Division

The Junior Handler Division is geared towards encouraging younger handlers (ages 7-18) to be involved in the sport. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Junior Handler Division. No double or triple jumps may be used. Standard course time for the Junior Handler Division will be 20% more than the Competition Division standard course times in each event.

*While we generally believe that 7-8 years of age is the optimal age for a handler to start competing, we also recognize that there are some exceptional kids who may be ready to compete earlier than 7 years of age. Competitors who are younger than 7, but have titled a dog in another venue may also enter this division.*

*In addition, any parent/guardian who feels strongly that their child is ready to compete may contact DOCNA ([www.docna.com](http://www.docna.com)) and provide information on age of child, training that their child has done, experience of their child, experience of the child's dog, etc, and DOCNA will review the situation and approve on a case by case basis. Juniors (ages 7 and older) may compete in other divisions and will be given same SCT as posted.*

### **Physically Challenged Dogs**

Physically Challenged Dogs mainly includes, but is not limited to, canine amputees, visually or hearing compromised dogs. Our primary concern is for the safety of the dog. We acknowledge that canine health encompasses both the physical and the mental aspects of life. Physically challenged dogs that may otherwise be in good health and that display the desire and ability to safely execute required obstacle Canine performances are welcome to enter and compete.

#### **Entry Eligibility:**

Canine amputee owners should acquire a letter from their veterinarian stating that the dog is capable of competing in agility and that the dog will not likely suffer any long-term effects above and beyond what might be normal for dogs that engage in this sport. The letter should be available on request for view by the judge or trial committee. A judge and/or trial committee reserves the right to excuse/dismiss a dog from competition that appears to be in obvious pain or discomfort and/or to designate that a dog be limited to specific classes and/or be placed under a jump height restriction. The owner of the dog may appeal a judge's/appointee's trial decision to the DOCNA offices for a binding ruling.

**DOCNA supports the desire of these dogs to play in agility and allows these dogs with the opportunity to earn qualifying runs and titles, but placements are not appropriate in this category. Dogs competing at a jump height lower than the official jump height for their size may not achieve a placement over a dog jumping at its correct jump height.**

For Physically Challenged Dogs competing in the correct division and jump height that have visual or hearing challenges but have demonstrated the ability to perform at a higher level by either having competed in another venue or have completed training that establishes the team as safe to compete physically at a higher level are approved to compete in the division that they are eligible for and will compete with dogs in that Division and Height.

### **Disabled/Handicapped Handlers with Disabilities**

Dogs On Course in North America, LLC, is providing a special designation for disabled/handicapped exhibitors. Such exhibitors will be allowed extra time for qualifying purposes only. There will be a place on the entry form to designate this category. When entering as a disabled/handicapped handler, it is required that you enter all events with this designation. Dogs entered with handlers in this category will still be placed with the dogs jump height. The best time/most points will always place higher. DOCNA trusts that only exhibitors who have documented medical conditions will enter this category.

Disabled/handicapped handlers will receive additional time in titling events.

## **LEVELS**

### **Beginner**

The Beginner level is the first experience level in all divisions. Its purpose is to offer a successful experience and a reasonable level of challenge for the beginning dog.

Within each division and titling event, the Beginner level is open to any dog that is at least 12 months old who has not recorded a qualifying round in the Specialist level for that titling event. Dogs may move back one level but not two (you cannot move to beginner level in any titling event after achieving a qualifying round at the specialist level in that same titling event). Dogs may not move up to the Intern level until they have earned a certificate of merit (title) for that titling event (exception is the experience grand-fathering clause if applicable).

### **Intern**

The Intern level is the middle experience level in all divisions. Its purpose is to offer challenges that demonstrate dog responsiveness on obstacles and competitor confidence with a variety of handling techniques at a greater rate of speed.

Within each division and titling class, the Intern level is open to any dog that has earned a certificate of merit (title) at the Beginner Level for that titling event and is at least 15 months old. Dogs at the Intern level may move back one level to Beginner if it is desired. Dogs may not move up to the Specialist level until they have earned a certificate of merit (title) for that titling event (exception is the experience grandfathering clause if applicable).

### **Specialist**

The Specialist level is the top experience level in all divisions. Its purpose is to offer **\*\*advanced\*\*** agility challenges that require a variety of handling techniques and demonstrate dog and handler teamwork at the highest rate of speed.

Within each division and titling event, the Specialist level is open to any dog that has earned a certificate of merit (title) at the Intern level for that titling event and is at least 15 months old. Dogs at the Specialist level may move back one level to Intern if it is desired, but they may not move back more than one level (to Beginner).

## Jump Heights & Measuring

Owners are responsible for entering the proper jump height division. Measuring will be from 7am to 7:30am on Saturday & Sunday. Dogs entered requiring measuring must be available for measurement **BEFORE 7:30 am**.

Any dog that measures within ½ inch of their jump height cutoff will require an official measurement by the show judge of record in order for the dog to be allowed to compete unless the owner/handler can show that they have completed the requirements of the measurement form or obtained a permanent height card from DOCNA.

All measurements Are at the withers	11" & under	14" & under	18" & under	22" & under	Over 22"
Competition Division	Jump 8"	Jump 12"	Jump 16"	Jump 20"	Jump 24"
Select Division	Jump 4"	Jump 8"	Jump 12"	Jump 16"	Jump 20"
*Veterans Division	Jump 4"	Jump 8" or the Handler may choose to Jump 4" and be placed with 4" dogs"	Jump 12" or the Handler may choose to Jump 8" and be placed with 8" dogs	Jump 16" or the Handler may choose to Jump 12" and be placed with 12" dogs	Jump 20" or the Handler may choose to Jump 16" and be placed with 16" dogs
**Grand Veteran Division	Jump 4"	Jump 4"	Jump 8"	Jump 12"	Jump 16"
Jr. Handler Program Up to Age 16	Jump 4"	Jump 8"	Jump 12"	Jump 16"	Jump 20"

There are five (5) jump heights in the Competition Division; they are 8", 12", 16", 20", and 24".

Select, Veterans, and Junior Handler's Divisions jump heights are 4", 8", 12", 16", and 20". Grand Veterans jump heights are 4", 8", 12", and 16". (See full rules at [www.docna.com/rulebook.htm](http://www.docna.com/rulebook.htm))

**Handlers may always choose to jump their dog higher, but will be placed and have the Standard Course Time (SCT) of the dogs in that higher height. The following heights are not available to move up to in DOCNA jump heights: Select 24 inch, Veteran 24 inch, Grand Veteran 20 inch and Jr. Handler 24 inch.**

If a handler chooses to have a dog jump higher than his measured/registered jump height the equivalent Competition Jump Height for that new chosen height is used. For example a dog measured to run 16 inch in Competition runs 16 in select instead of the usual 12 -- the SCT used will be the SCT for the 20 inch height. (Measured Competition Division Height + 4) SCT + XX% (Division) = time

If a handler chooses to have a dog jump lower than his measured/registered jump height as allowed in Veterans only, the equivalent Competition Jump Height for that chosen height is used. For example, a dog measured to run 16 inches in Competition runs 8 in Veterans instead of the usual 12 -- the SCT used will be the SCT for a 12 inch dog. (Measured Competition Division Height - 4) SCT + XX% (Division) = time

In addition, the judge may walk all heights of a division (example Select all Heights), or one level of all divisions (example Specialist). It is the responsibility of the handler to be aware and make necessary arrangements to attend all walk-throughs.

The judge may have all levels walk Specialist and Intern together for either Traditional Gamblers or Strategic Time Gamble events if the course allows this ability. It is the responsibility of the handler to be aware and make necessary arrangements to attend all walk-throughs.

### Description of Events being Offered

Standard Agility Event - **Standard Agility will challenge the handler /dog team with both work away sections and close proximity handling challenges. The handler/dog team must** demonstrate the ability of the team to perform a variety of obstacles on the course while working as a smooth functioning team. All obstacles must be performed without fault and the team must meet the Standard Course Time requirements of the division and level.

Jumpers - Jumpers is an opportunity for the dog and handler team to maneuver through a course of jumps at a very fast pace. The only obstacles on a Jumpers Course are JUMPS. **Jumpers Courses will challenge the handler /dog team and have both work away sections and close proximity handling challenges.**

Traditional Gamblers - Traditional Gamblers is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully for the specified opening period of time. At the end of the point accumulation period, the dog must successfully complete a work away challenge (gamble) at the required distance for level and division, and then stop the clock for time. The handler/dog team must be successful in both parts of this event to qualify.

Strategic Time Gamble - Strategic Time Gamble is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully. There are two (2) parts to this event, a point accumulation period (opening) and a strategic gamble period (closing); the handler plans a course that will allow the dog to cross the finish line at as close to maximum time without going over. The handler/dog team must be successful in both parts of this event in order to qualify.

Snakes 'N Ladders - Snakes 'N Ladders is a strategic game that has tunnels, contact equipment and weaves. The weaves requirement at the beginner level includes 3 sets of 5- 6 weave poles. At the Intern and Specialist Level the competitor is required to perform 1 set of 10-12 weaves, and 2 sets of 5- 6 weave poles. The handler strategically plans their course, with the goal being to complete all the contact and weave obstacles and cross the finish line as quickly as possible. **All dogs must start at the Beginner level in Snakes 'N Ladders.**

Trigrility - Trigrility is a team strategy game that tests the agility ability of the 3 members of the team to complete 3 types of agility on a regular agility course. The goal is to complete all 3 courses in the shortest amount of time and to have one team member successfully complete a mini gamble test. Competitors may team up with any handler/dog team at their Level (Beginner, Intern or Specialist) regardless of Division. Placement jump height is determined by the Competition Division height of the tallest dog on the team.

**All dogs must start at the Beginner level in Trigrility.**

**When entering Trigrility, keep in mind that it is a team sport and as a competitor, you have an obligation to run and not let your teammates down by training in the ring or by scratching except in the event of an illness or injury. By entering this class, you are agreeing that your dog is reasonably proficient enough in agility to be able to negotiate a 9-10 obstacle sequence on a beginner level jumpers or standard course with two other dogs/handlers in the ring with you. You also understand that if you enter as a draw, you may be running with a dog and/or handler that is brand new to the sport of agility.**

North America Challenge Event – Championship Qualifiers - The North America Challenge event will be the standard for qualification into future championships. This is a special agility run that is scored under the same rules and SCT as Standard Agility with the exception that off courses are judged as elimination. North America Challenge Events will be more technically challenging courses. Each course will include 1 set of 10-12 weaves and may include an additional set of 5-6 weaves for all levels. In addition, courses may include the performance of 4 contact obstacles, multiple side changes, and additional discriminations.

The North American Challenge is a special event which gives the handler and dog team the opportunity to compete in the DOCNA championships in 2018.

**For anyone entering the North America Challenge, Dogs that are competing DOCNA Specialist Standard, or in Standard Agility at the Elite Level in NADAC, Masters or Performance III in USDAA, Excellent in AKC, Level 4/5/C in CPE etc, must enter the North America Challenge at the Specialist Level in the Division they are choosing to run in Competition, Select, Veteran, Jr. Handler or Grand Veterans. All other competitors should enter at the Intern Level (this includes beginners).**

**The cutoff date for qualifying for the 2018 championships is August 1, 2018. Dogs that have not obtained the one NAC during the specified period (14 month time span) are not eligible to enter any runs at the championships, this includes regional events (jumpers, gamblers, standard, snakes n ladders, trigrility), and national event NAC or pre-championship warm up if one is held.**

**All other competitors should enter at the Intern Level (this includes beginners).**

The handler will then *enter the Division they are choosing to run in Competition, Select, Veteran, Jr. Handler or Grand Veterans at the Intern level.*

### ASSUMPTION OF RISK, STATEMENT OF RESPONSIBILITY & WAIVER OF LIABILITY

I (we) understand that agility is an activity that is held in the presence of other dogs and their owners/handlers. I also understand that the participation of my dog and myself in agility will require some physical activity on my part and on the part of my dog. I also understand that this activity will involve some running, jumping, and the use of obstacles such as tunnels, scaling planks, jumps, and tires which could result in injury to me, to my dog, or others. I represent that I am in good health and my dog is in good health and we are both in physical condition to participate in the sport of dog agility. I further represent that my dog is friendly and not a hazard to persons or other dogs; **that I am participating at my own risk**; and that I will not hold the trial club/group or any owner, employee, committee member, nor the sanctioning organization Dogs On Course in North America, LLC, liable for any loss, injury, illness, expense or other hardship that may arise in connection with my participation and/or my dog(s') participation in the activity. It is distinctly understood that every dog participating is in the care and custody and control of his owner or handler at all times on the premises. I further agree to assume full responsibility and liability for any and all injury or damage caused in any way by my dog(s) or myself. Any competitor/exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the Trial/Show Committee be asked to leave the show site. In such case, no refund of fees paid will be made.

The club or group or Dogs on Course in North America, LLC, will not be responsible for the loss or damage to any dog competing; or for the possessions of any competitor whether or not the result was by accident or any other cause.

I (we) understand that DOCNA **leaves it to the discretion of the exhibitor as to whether or not they would like to leave a collar on their dog during competition. For the purposes of safety, DOCNA strongly recommends that dogs run WITHOUT a collar.** There have been documented cases of dogs getting collars stuck on jump stanchions, contact equipment hinges and/or other equipment or obstacles. If you choose to run with a collar, you do so at your sole risk.

I (we) understand that in choosing to run with a collar, a quick release collar is suggested. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp. It is acceptable to keep tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar. Collars with dangling tags, martingale type loops, halti's, gentle leaders, harnesses, and any electronic training devices (shock, bark, pinch, citronella, etc) will not be allowed in the ring.

*In addition, I have read ALL the information in this premium, including the information pertaining to walk thrus, and by signing this agreement understand it is my responsibility to be available for all walk thrus.*

Competitors through submission of entry, acknowledge that they are knowledgeable of DOCNA rules and regulations and agree to abide by these rules and those of the club/ group hosting this trial.

I have read the section on DOCNA's Event Image and Audio Media policy and am aware of and accept the terms publicly available at <http://www.docna.com/Photography.aspx>.

## **Measurement Process/Permanent Height Cards**

Competitors must complete the requirements of the measurement form as stated below. **ALL** dogs must complete the measurement requirements. DOCNA does not have specifically designated measuring judges; any judge can sign a measuring form. All dogs must be over two (2) years old to receive the final measurement and permanent height card.

### **STEP ONE: HAVE YOUR DOG MEASURED AND YOUR MEASUREMENT FORM SIGNED**

- The judge will sign the form as complete if your dog is over 2 years old AND
  1. Your dog measures in the top height category (over 22")OR
  2. Your dog measures under ½ inch or more from the cut-off.
- If you're dog measures at ½ inch or less from official cut-off, you must obtain three (3) judge's measurements that state the exact measured height of the dog. After you have obtained three measurements and your dog is over 2 years of age, the judge will sign your form as complete.
- Dogs that complete measurements prior to two years of age will obtain the 3<sup>rd</sup> measurement after they turn two years of age, at which time the judge will sign your form as complete. Prior to turning two, you may use this form with two (2) signatures at check in.

### **Optional Methods: Acceptance of Jump Height Cards from Other Organizations**

These options are only available for dogs over two years of age– Pick one option only:

- Option 1: Permanent height card does not specify an exact measured height.  
You may present your dog's USDAA, NADAC, and AAC, AKC or CPE permanent jump height card (or a copy of the card) that does not specify an exact measured height at measurement, along with a DOCNA measurement form. One (1) measurement by a DOCNA judge is required to fulfill the measurement process.
- Option 2: Permanent height card, jump height form, card, or database subscriber information specifies the exact measured height of the dog (example 20.75 inches). At measurement, you may present a copy of the above documentation along with a DOCNA measurement form. The judge will complete the form with the information supplied (no measurement will be **required**) **but the dog must be present when using this option.** (Information from multiple organizations may be combined)

### **STEP TWO: TURN IN YOUR COMPLETED FORM FOR A PERMANENT HEIGHT CARD**

Once you have received all the required measurements for your dog as outlined above, turn in the completed form to the trial secretary at the trial for submission to DOCNA for a permanent height card. DOCNA will issue your permanent height card via e-mail.

- Please ensure your form has your e-mail address included and that it is legible.
  - If you do not have e-mail address, you may please include a self-address stamped envelope with your measurement form.
  - If you would like a laminated copy, please include a self-addressed, stamped envelope with your measurement form and \$5.00 check made out to DOCNA.

**VERY IMPORTANT – e-MAIL Measurement forms will be sent from the following address**
